WRITE FOR YOURSELF

Don't write to please others. Write to express your unique voice. Use the words that resonate with your heart and soul.

STAY POSITIVE

In the world of writing, a positive attitude is your secret weapon. Believe in your words and let optimism fuel your creative journey.

Create a positive space where you write too. Music, comforts, and favorite snacks or drink.

SPEAK KIND TO YOURSELF

Your inner dialogue matters. Treat yourself with the same kindness and encouragement you offer to others.

If you find yourself going down this road - grab a sheet of paper and a pen, and fill the page with positive messages about yourself and your writing.

COMMUNITY

WRITE FEARLESSLY

Step out of your comfort zone and explore new genres, styles, and ideas. Growth happens when you push your creative boundaries.

EMBRACE REJECTION

Every rejection is a stepping stone to success. Not every idea is a good one.

Keep submitting your work and learning from each setback. Listen to the feedback from others. Fear of rejection will stop you in your tracks.
